

Student Signature & Declaration

Depending on the white card that is being issued, we may be required to insert your signature on the card prior to it being posted to you.

Please sign the declaration below, ensuring that your signature remains completely within the box provided.

Once you have completed form, you will be required to take a photo of the form and upload it into your account.

**** Student Statutory Declaration ****

By signing the form below, I declare by this Statutory Declaration made by me and in accordance with part 4 of the Oaths Act 1867 that:

- I have identified myself truthfully and legally for this course.
- I will be issued with either a QLD white card or WA white card according to where I live.
- I received no assistance from anyone and that the work submitted during the course was my own work.
- I declare that the location that this course was undertaken is accurately listed above and that I completed the course in the same state as my residence and the white card to be issued.
- I have provided the required proof of ID to Allens Training either in my application or via the video verification
- I acknowledge that this signature may appear on my white card as proof of my ID.
- I had a person witness me doing the assessments and asked them to sign this form

Please sign in box to the right, failure to sign, means the white card cannot be processed. This signature may be used on your laminated card. 

****Signature must remain completely within the box****
